

Pro Series Heavy Duty Monitor Swing Arm

The ErgoMounts Pro Series Heavy Duty Monitor Swing Arm delivers a sturdy mounting solution capable of supporting up to 20Kg. Constructed of Aluminium this arm is designed not only to look contemporary but also to last. When fully extended the EM250 positions the screen 360mm from the wall but can be folded away when not in use to just 68mm, making this mount ideal for areas in which space is limited. The monitor head unit provides stepped downward tilt up to 24° and can be supplied with the following VESA interfaces: 75mm x 75mm, 100mm x 100mm, 200mm x 100mm and 200mm x 200mm.

EM250
