- Supports up to 40KG
- Up to VESA 600mm x 400mm\* or Non-VESA 455mm x 400mm
- Heavy duty Steel construction
- Secure bolt down base
- Integrated cable management holes
- All mounting hardware included
- Shelves & other accessories available
- Standard model supplied in Black with 1.8M Pole (other colours & sizes available)

The ErgoMounts EMVPP1220 is a stylish display stand designed for use with a small - medium sized flat screen. The low profile, bolt down base keeps everything secure and can also include a cable management system for a clean finish. Suitable for screens with VESA fixings up to VESA 600mm x 400mm\* or Non-VESA 455mm x 400mm, the screen can be easily mounted at any height on the pole. As standard we supply a 1.8M Black Pole but a range of other pole sizes and colours are available.
