+/- 180°

Yes

14.5Kg

75 x 75
100 x 100

- Medical grade solution.
- Monitor up to 14.5Kg.
- No compressor is required.
- Cycle tested for over 80,000 slides.
- Cables can be neatly managed inside of the mount.
- 5 Year Warranty
- Can be cleaned with "Hospital Grade" solutions (*10,000 parts bleach per 1,000,000*).

The ErgoMounts Pro Slide Overcabinet Monitor Mount with Drop Pole takes advantage of the unused space on cabinet tops and is ideal for the Dental Market.

The entire arm assembly smoothly glides with ease along the track meaning it can quickly be adjusted and moved out of the way of cabinet doors for easy access. On the end of the track is our award winning Ultra 180 monitor arm. This offers effortless gas assisted movement allowing the screen to always be positioned exactly where the user needs it.

This mount can support 99.9% of screens with either a VESA 75mm x 75mm or VESA 100mm x 100mm interface plate and weighing less than 14.5Kg.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
