Commerical

The ErgoMounts Double Elite Medical Monitor Desk Mount is a state of the art screen mounting arm that has been designed with medical and healthcare environments in mind.

This product incorporates revolutionary design features allowing monitors of up to 12.7kg to be supported whilst providing effortless movement of up to 1066mm from the mounting point. Cables are neatly routed internally through the two Elite arms. Each arm section incorporates a tensionable gas cylinder that enables user friendly ergonomic height and reach adjustment. The paralink monitor attachment allows for tilt, swivel and the ability to rotate the monitor from landscape to portrait.

The Double Elite Desk Mounts is compatible with all VESA 75mm x 75mm, VESA 100mm x 100mm screens weighing up to 12.7Kgs.

This product can be wiped clean with hospital grade solutions (10,000 parts bleach per 1,000,000) making them also ideal for areas where they are going to be exposed to large amounts of dirt and dust such as workshops or production lines.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
