- Medical grade solution.
- Monitors & Keyboards up to 13.6Kg
- Billet Aluminium construction.
- Can be cleaned with “Hospital Grade” solutions (10,000 parts bleach per 1,000,000).

The ErgoMounts Ultra 180 Monitor Arm Wall Mount is an innovative solution to medical grade, sit-stand workstations. With a weight capacity of 13.6Kg this mount can easily hold most modern LED or LCD Monitors. In terms of movement the Ultra 180 can swivel the monitor through 360° and tilt the screen up to 90°. The monitor is held close to the mounting arm. The height of the screen can be adjusted along the 4” (102mm) stainless steel rails mounted to the top joint.

The Ultra 180 is manufactured out of Billet Aluminium before being powder coated to provide a hard wearing and long lasted finish. Designed with medical environments in mind this arm can be regularly cleaned with hospital grade solutions, 10,000 parts bleach per 1,000,000.

### Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 1000’s of combinations on our products as well as bespoke design but at a much shorter lead time than our competitors who often rely on Far East manufacturing.

## Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

## Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
