

UltraView 400 Series  
Monitor Desk Mounts

## UltraView 400 Series Monitor Desk Mounts

The ErgoMounts UltraView 400 monitor arm is the ideal desk mounting solution where a large range of movement is required. This model is supplied with a bolt through/grommet mount fitting or desk clamp. The bolt through/grommet mount fitting fits through the desks cable management port, reducing the need for additional drill holes. Both mounts can support monitors up to 12kg in weight.

The 35mm diameter pole allows a huge 400mm of height adjustment, while the dual arm configuration allows a reach of up to 470mm to be achieved, with a minimum distance of 70mm from the pole in folded position. The design also allows 180° of both tilt and swivel movement, in addition to landscape and portrait rotation.

- Ergonomic monitor arm supporting monitors up to 12kg on a 35mm diameter pole.
- Supplied with desk clamp, or bolt through fitting.
- Provides up to 470mm (18.5") of reach and 400mm (15.7") of height adjustment. 700mm (27.5") tall pole upgrades available.
- Folds to within 70mm of pole.
- Highly aesthetic.
- Supplied with 75mm x 75mm and 100mm x 100mm VESA interface plates.
- Monitors tilt, angle and move from landscape to portrait.
- Touch screen stable.
