- Supports Monitors 8.16Kg.
- Compact but adjustable.
- Billet Aluminium construction.
- Can be cleaned with “Hospital Grade” solutions (10,000 parts bleach per 1,000,000).

The ErgoMounts Ultra 500 Monitor Arm Dental Radius Mounts are innovative solutions to modern medical grade sit-stand workstations. With a weight capacity of 8.16Kg this mount can easily hold most modern LED or LCD Monitors.

This mount has been designed to sit on top of a 2” diameter pole and is ideal for use on dental chairs or can easily be mounted onto other medical equipment.

In terms of movement the Ultra 500 can swivel the monitor through 180° and tilt the screen up to 90°. The monitor is held close to the mounting arm whilst still providing a wide range of adjustment, once positioned two handles behind the monitor lock the mount into the desired position.

This product can be wiped clean with hospital grade solutions (10,000 parts bleach per 1,000,000) making them also ideal for areas where they are going to be exposed to large amounts of dirt and dust such as workshops or production lines.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100’s of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
