Ultra 510 LCD Monitor and Keyboard Wall Track Series

The Ultra 510 series of mounting solutions for LCD monitors and keyboards provides a minimum of 150mm built in height adjustment, tilt and 180° of rotation. Available configurations include compact non extended, single extended 280mm (11") arm or double extended, 2 x 280mm (11") arms providing up to 600mm of extension from the wall track. Additionally, select from a wide range of keyboard tray options including ergonomic, composite, 305mm (12") wide mini flat and WorkSurface.

Machined out of billet aluminium with a durable, long lasting powder coat finish, the mount can support monitor and monitor and keyboard configuration weights up to 8.16kg. Cables are managed internally on the underside of extension arms. Unique Delrin bearing system

provides smooth motion and longevity. Monitor and keyboard are fully height adjustable within the length of the wall track.

All Ultra 510 LCD monitor mounting solutions are hand assembled and engineered to highest specifications to ensure product quality. This makes them ideal in medical (including dental) environments.
