

UltraView 435 Triple LCD LED Monitor Arm

The EMUV435 UltraView range of LCD LED monitor mounts can support up to 3 x LCD LED monitors, each up to 12kg in weight on a single 700mm pole in a 1 above, 2 below mounting configuration. The bolt through grommet mount fitting fits through the desks cable management port reducing the need for additional drill holes.

The robust and durable ergonomic design allows between 70mm and 470mm of reach along with height adjustment. Supports monitors up to 27" - including widescreen versions. Up to 180° of tilt and 180° of monitor swivel are achievable in this highly aesthetic, touch screen stable product.

- Ergonomic LCD LED monitor arm supporting three LCD LED monitors up to 12kg each on a 35mm diameter pole.
- Supports three LCD monitors up to 24" or three LED monitors up to 27", including widescreen models.
- Supplied with desk clamp (DC), or bolt through fitting (TD).
- Provides up to 470mm (18.5") of reach adjustment and monitor heights can be set anywhere along the 700mm (27.9") pole.
- Monitors fold to within 70mm of pole.
- Highly aesthetic.
- Supplied with 75mm and 100mm VESA interface plates.
- Monitors tilt, angle and move from portrait to landscape.
- Touch screen stable.
