VisionPro 6900 Series LCD Support Arms

The VisionPro 6900 series is capable of supporting monitors from 9kg upto 20kg in weight. With +/- 90° rotation, +/- 90° tilt and +/- 90° swivel the new pivot 3-axis adjustment provides the widest range of viewing positions and angles of any monitor arm of its type.

The VisionPro 6900 series has a parallel head unit enabling finger touch repositioning of the arm whilst maintaining the angle of the monitor.

Available in desk clamp, bolt through desk or wall mount fitting, compact (360mm max reach) and extended (540mm max reach). Each configuration provides up to 460mm of height adjustment.

Designed to suit any application within the office, production or medical environments. Precision manufactured in die-cast aluminium with internal cable management.

Available in a silver finish.
